

Martha

DRINK & DINE

Martha is about eating together, passing plates and trying a bit of everything.

For two people, we suggest starting with bread and olives, then choosing two dishes from the “To share” section, one pasta, one “from the fire” and a side. There’s no wrong way to do it, if you need help or just want our chefs to choose let our crew know.

One tip is to order extra bread, to mop up your plates!
